Meme & Quote of the Month:

1 Year In - What Would YOU Like to Hear About?

When taking a look at what to put into this month's newsletter – I realized that this month's issue would be the ONE-YEAR anniversary of my POPS Pulse newsletter. This last year has absolutely flown by, for sure! First of all, I wanted to say a huge THANK YOU to my colleagues, referral partners, clients and fellow business owners for reading my newsletter every month, your kind responses that you have sent over to me, and your ideas for future topics. I can't share my appreciation enough!

This newsletter is for YOU, and what will serve you, your business and your employees best. I thought it may be a great idea to put an open question out there with this month's issue – what would YOU like to hear about? Any ideas that you have, I'd love to hear them! Please feel free to reply to this email or send me a separate note to bonnie@wolfrosesolutions.com, and I can look to put those topics into future issues. Here is to the next year, and beyond! - Bonnie
